| University of Winchester | ✓ | ✓ | ✓ | ✓ | 104-120 UCAS points; BCC-BBB/ IB minimum of 2 Higher Level at grade 4 | Lisa Bernasek | lisa.bernasek@winchester.ac.uk |
| University of Cambridge (Social Anthropology) | ✓ | ✓ | ✓ | | A*AA/ IB: 40-42/ 20 or 776 at HL | | Archaeology - outreach@arch.cam.ac.uk Social Anthropology - enquiries@socanth.cam.ac.uk |

| Table B: Entry Requirements and Preferred Subjects | Entry Requirements | Preferred Subjects |
|----------------------------------------------------|-----------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| University of Birmingham | AAB-BBB For AAB, IB 32 / HL 6, 6, 5. For ABB, IB 32 / HL 6, 5, 5. For BBB, IB 32 / HL 5, 5, 5 | For Social Anthropology and History, a humanities A-level is required. For other programmes, no preferred subjects. |
| Bournemouth University | 104-120 UCAS Points, either min. 2 A-levels, 2 HL Certificates, BTEC Ex Diploma DMM, IB 29-31 | No preferences |
| University of Bristol | AAB/ IB 34/17 HL (BBB/ IB 31/15 HL contextual) | No preferences |
| University of Bradford | BBC | An A Level in a science subject |
| Brunel University London | BBB/ IB 30 | All subjects considered. BTEC and Access courses given preference where they are social science or arts and humanities related. |
| University of Cambridge (Biological anthropology) | A*AA/ IB 40-42 points, with 776 at Higher Level | No preferences |
| University of Dundee | BBB (BCC contextually)/ IB 30 points, including 5, 5, 5 at higher level | A-level: Biology plus GCSE Chemistry and Mathematics at C/4 |
| Durham University | AAB/ IB 36 | No preferences |
| University of Edinburgh | AAA/ IB 36/ 665 HL (ABB/ IB 34/655 HL contextually) | no specific A Level subjects required. GCSEs: English at C or 4. |
| University of Southampton | ABB to BBB/IB 32 to 30/16 to 15 HL | No preferences |
| Goldsmiths College, University of London | BBB | No preferences |
| Liverpool John Moores University | 2 A Levels, 112 UCAS points/ IB 26 | Science or Social Science subjects (including Anthropology) |
| LSE | AAB (ABB contextual)/ IB 37/666 HL | No preferences |
| University of Manchester | ABB/IB 34 | No preferred subjects; many of our students come with a mixture of humanities and natural or social science subjects. Commitment to studying Anthropology is more important than any specific A-level combination. |
| University of Oxford | AAA/ IB 38 (including core points) with 666 at HL | No preferences for the BA ArchAnth, but for BA Human Sciences we require Maths and Biology A-levels |
| Oxford Brookes University | BCC/IB 29 | No preferences |
| University of Plymouth | 104-120 UCAS Points | No preferences |
| Queen's University Belfast | ABB/IB 33/655 HL | No preferences |
| University of Reading | BBB/30 UCAS points IB 30 | No preferences |
| SOAS University of London | ABB-BBB/ IB 32-30 (655-555 HL) | No preferences |
| University of Sussex | ABB-BBB/ IB 30-32 | Prefer at least one essay-based subject |
| University College London | AAB (BBC contextual)/ IB 36 (30 contextual) | No specific A level subjects. GCSEs: English Language and Mathematics, plus any Science (Single Science, Biology, Chemistry or Physics) or Combined Science. |
| University of Winchester | 104-120 UCAS points; BCC-BBB/ IB minimum of 2 Higher Level at grade 4 | No preferences |
| University of Cambridge (Social Anthropology) | A*AA IB: 40-42/ 20 or 776 at HL | No preferences |

| Table C: Degrees | Single Honours | Joint Honours |
|---------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| University of Birmingham | BA Social Anthropology | BA Social Anthropology and African Studies; BA Social Anthropology and Archaeology; BA Social Anthropology and Classical Literature and Civilisation; BA Social Anthropology and Politics. |

Placements can be based at home or abroad. They range from supporting charities or development programmes to working in a museum or a school. |
| University of Cambridge (Biological Anthropology) | Biological Anthropology - human origins, evolutionary history, ecology, adaptations, genetics, behaviour, primatology, human health and disease | Biological Anthropology is taught as part of the Archaeology course, either as a stand-alone track or as a combination with Archaeology. Papers can also be borrowed from Social Anthropology, Politics, Sociology or Psychology. Opportunity to undertake original research for dissertation in year 3. Includes 2.5 weeks excavation training and (for Archaeology track) 4 weeks independently organised fieldwork OR museum work (abroad or UK-based). |
| University of Dundee | Forensic anthropology and forensic archaeology | Study abroad |
| Durham University | Integrated anthropology, Social anthropology (e.g. politics, economics, energy, migration), Biological anthropology (e.g. primatology, forensic anthropology, palaeoanthropology, cognition and cultural evolution), Anthropology of health (e.g. global health, mental health, evolutionary medicine), Environment/climate change | All degrees can incorporate a year abroad or placement year. All students are trained in highly transferable research skills (both quantitative and qualitative) from year one. All students have the chance to take part in both local and residential fieldwork trips without additional costs. |
| University of Edinburgh | Our research is global in scope and at the heart of our teaching practice. It includes core themes in medical anthropology; religion and society; migration and refugee studies; politics and the law; science and technology; kinship and relatedness; peace and conflict studies; anthropology and the arts; media anthropology; cultural heritage; international development; human-animal relations; sexuality and reproduction; and infrastructure and energy transitions. | Students will have the opportunity to conduct your own research in the summer break between Years 3 and 4. Your dissertation supervisor will help you to plan and develop your research project which can take place in the UK or overseas. |
| University of Southampton | Archaeology and Anthropology at Southampton takes you on a 3-million-year journey to discover what it is to be human. Our course draws widely on the Humanities and Sciences, and allows you the opportunity to explore those aspects of human culture and physical being, past and present, that excite you most. Located on the sunny south coast of England, it is appropriate that one of our core specialisms is maritime archaeology and ethnography.. | We have a purpose-built archaeology building, equipped with the latest science-based laboratories. On this anthropology and archaeology degree you'll gain hands-on experience with archaeological artefacts and materials, and receive the practical training needed for a career in archaeology or anthropology. |
